

BOOK A HARD WASTE OR MATTRESS COLLECTION

Residential renters and owners can book two hard waste and two mattress collections per financial year.

Bookings are essential and collections will occur anytime between Monday and Friday within an allocated week.

To be eligible for collection, you must:

- live in the property for the entire collection week, do not book if you are moving out before the end of the week.
- leave your items inside your property line, never on the nature strip.

BOOKINGS AND MORE INFORMATION

Visit geelong.link/hardwaste or scan the QR code.
