YOU DON'T HAVE TO DO IT ALONE.

Want a personal approach to quitting? Check out your local Barwon Health Be Smokefree Clinic. It's a free and private support service that aims to help you cut down or quit for good - no pressure, no judgment. Whether you're thinking about quitting or ready to make a change, we've got your back.

1 MAKE AN APPOINTMENT

Speak to a school nurse, a doctor, or make a self referral to book an appointment.

2 SPEAK TO A CLINICIAN

Chat over the phone so they can understand your support needs.

3 ATTEND APPOINTMENT

At the clinic or via telehealth.

4 DISCUSS STRATEGIES

Set personal goals and develop strategies to quit or reduce vaping.

5 ACTION YOUR PLAN

Begin applying the techniques discussed during your appointment to help you quit or reduce vaping.

6 FOLLOW UP APPOINTMENTS

Continued support to quit or reduce your vaping habits.
