About this grant

OBJECTIVES

The Climate Change Partnership Grants support the Geelong community to lead the way in adapting to a changing climate.

This grant is a key action from our *Climate Change Response Plan 2021–30*, designed to address a critical and urgent challenge. Our shared vision is to become a zero emissions city that is thriving and ready to adapt to a changing environment.

The grants are delivered through a co-design approach with the City, partnering with community groups and businesses to implement meaningful, local action. We welcome bold new ideas and proven project models alike—whether you’re piloting something innovative or scaling up an existing initiative.

The objectives of the grant are to:

- Increase greening Greater Geelong, including tree planting and habitat restoration.
- Build community awareness about how a changing climate affects us.
- Boost energy efficiency and local renewable energy generation.
- Support the transition to a net zero emissions municipality by 2035.
- Encourage a shift to sustainable transport and cleaner fuels.
- Help store more carbon naturally through soils and vegetation.
- Strengthen local networks and collaboration for long-term impact.

Our focus this year is greening Greater Geelong through planting trees, creating biodiverse landscapes, and expanding green spaces. These efforts contribute to stronger, healthier neighbourhoods while building resilience to the impacts of a changing climate.

HOW WE ALLOCATE FUNDING

Our grants are competitive, so even if you meet the criteria, you may not get funding.

You cannot rely on the City's Community Grants for ongoing funding.

In some cases, we may offer partial funding for a smaller or modified project.

We typically fund projects only once. However, we may consider funding a project again if there is a strong reason that aligns with the objectives of this grant.

What you can apply for

To help you work out whether your project is the sort of thing we are looking to fund, we have developed the following list of example projects and costs we might cover.

How we assess applications

We carefully check all applications to make sure they meet the guideline rules and are a good use of the City's grant funding.

ASSESSMENT

The complete list of checks we do on each grant application include:

Eligibility checks – we check if the applicant and project are eligible (see pages [4](#), [5](#) and [6](#)).

Officer panel assessment – if eligible, our officers review the application using the grant assessment criteria and funding priorities on page [8](#) and [9](#).

Community panel review – a group of independent community members review the officer assessments and recommend funding to Council.

Council endorsement – Council reviews and endorses funding recommendations.

ASSESSMENT CRITERIA

We use assessment criteria to score each application. In the application form, you will be asked questions about these criteria. Your answers help us compare applications fairly and decide which projects we can fund.

Each criterion has a weighting (a percentage). A higher percentage means that criterion has more impact on your total score.

The table below shows the assessment criteria and what we look for.

We will score your application based on the information you provide and how you answer the questions.

CLIMATE CHANGE PARTNERSHIPS GRANTS ASSESSMENT CRITERIA

Criteria 1: Climate change benefits 40%

- How will the project contribute towards a zero-emissions City and/or respond to a changing climate?

- Do you have income from other sources (e.g. your own cash contribution, sponsorship)? Is it confirmed?

 - supplier or contractor quotes with the supplier's business name, ABN/ACN and contact details,– screenshots from online stores with the item description, price and supplier's business name.

If you do not provide this evidence, you may receive a lower score for this criteria, or the cost may be removed from the grant request.

FUNDING PRIORITIES

If the total funding requested by all applicants exceeds the available funding, we may prioritise:

- applicants who did not receive money from this grant in the previous year.

IF YOUR ORGANISATION IS NOT INCORPORATED

If your organisation or group is not incorporated, you can still apply for a grant by working with an auspice organisation.

An auspice is an organisation that meets our eligibility criteria and agrees to support and manage your grant. They take legal and financial responsibility for the funding.

If your application is successful, your auspice organisation will:

- sign the grant funding agreement
- receive the grant money and pass it on to you
- make sure all grant activities are completed
- submit the final evaluation and financial report on your behalf.

How to apply with an Auspice

If you want to apply with an auspice organisation, you must:

- get their approval before you submit your application
- upload a signed letter confirming your auspice arrangement.

What happens next

Once we have decided who is going to receive a grant, we will let you know of the outcome of your application, even if it was unsuccessful.

NOTIFICATION OF OUTCOME

The City of Greater Geelong will notify all applicants of their outcome by email by the date listed on page 4 of this booklet.

Successful Applications

If your application is successful, this does not guarantee funding. You must complete additional steps before receiving a grant payment.

- You will receive an email with a link to a funding agreement outlining the terms and conditions of the grant (see **Funding Agreements** section below).
- You must sign and return the agreement and upload a tax invoice and your public liability insurance certificate of currency before any payment is made.

You cannot commence your project until after the notification date and you have a signed funding agreement with us.

Unsuccessful Applications

If your application is unsuccessful, we will notify you by email.

You are strongly encouraged to contact us for feedback which may help if you plan to apply again in future rounds.

PAYMENTS

If your application is successful, the City will transfer the approved funding amount to your nominated bank account after the funding agreement is signed.

We will only pay grant money to the applicant (or auspice).

A tax invoice is required before we pay any grant funds. Our team will contact successful grant applicants to arrange this.

If you do not provide either an ABN or a 'Statement by a Supplier' form, we may have to withhold tax from the grant payment at the top marginal rate of 45%.

FUNDING AGREEMENTS

Successful grant applicants will be required to enter into a funding agreement. The agreement will include:

- the terms and conditions of funding
- the details of the activity
- what you are expected to deliver
- your reporting requirements
- the schedule of payments.

General information

The following information applies to all City of Greater Geelong grants.

FIRST NATIONS

For any proposals with a First Nations theme you are strongly encouraged to contact the Community Grants Unit to ensure you have engaged with First Nations Communities and understand any requirements under the Aboriginal Heritage Act (2006).

PERMITS AND APPROVALS

Some projects or events may need a permit or approval. These processes are separate to the grant application process and require additional time and budget in your project plan.

While you do not need to secure permits or approvals before applying, securing them will be a condition of the grant if your application is successful. As such, we may choose not to pay you any money until the relevant permits and approvals are secured.

You must demonstrate that you are aware of the necessary permits and approvals in your application. We will consider this information when assessing your application under the 'well-planned' criteria on page 9.

INSURANCE

You must arrange public liability insurance (PLI) to cover the activity detailed in your application and provide the PLI certificate of currency if your application is successful.

Applicants using an auspice would include a PLI certificate from the auspice organisation.

A policy statement or receipt of payment is not an acceptable substitute for the certificate of currency.

REPORTING

If you receive a grant, you must submit an evaluation of your activity and a financial report within one month of your project finishing.

The evaluation report tells us about your project and the financial report includes all income and expenses for the grant. It demonstrates you have spent the money how you said you would.

We may request meetings with you to check your progress or ask for an audit of your financial records to prove you have spent the grant as you said you would. As such, you must keep accurate financial records and make them available to us if requested.

GRANT VARIATIONS - MAKING CHANGES TO YOUR FUNDED ACTIVITY

Projects are funded for delivery as described in your funding agreement.

If you need to change something about your grant, you must seek our approval in writing. This includes:

- changes to your proposed completion date
- changes to the nature of your activity
- changes to how you want to spend the money.

We reserve the right to withdraw funding if:

- we do not support your request for changes
- your request is not made within a reasonable time
- you make changes without our knowledge.

If a project stops or the grant funds are no longer required, you must repay the funding to the City of Greater Geelong.

WITHDRAWING FUNDING

We reserve the right to withdraw funding if we do not receive a tax invoice within the financial year in which the grant was awarded, or by the due date/s included in the agreement.

We can also withdraw funding if you are in breach of your funding agreement.

ACKNOWLEDGING OUR SUPPORT AND MEDIA

You must acknowledge the City of Greater Geelong on your promotional materials if you receive a grant. We will provide a guide with detailed instructions on how to do this.

When you sign your funding agreement, you will be asked to provide a short-written statement as the grant recipient, telling us how you feel about being a successful applicant, and how this project will benefit the community.

We may use your statement for promotion on social media or in other media outlets.
