Swim Games and Races

5-10 years

A fun-filled swimming session featuring novelty races, relay games, and playful swimming challenges. Designed to build confidence, fitness, and teamwork in a safe environment.

Water Safety for Beginners

Ages 5+

Get ready for your next holiday!

Children will build confidence and learn essential survival skills through exciting activities by practicing swimming in different water conditions. This interactive session helps students develop awareness, confidence, and important skills for staying safer at the pool and beach.

Water Safety for Intermediate

Students who can swim freestyle 15 metres+

Water safety starts before summer.

This is a fun filled session that will involve rescue races, survival skills, team activities involving inflatable boats, swimming in personal floatation devices (PFD) and beach safety. This session is suitable for students who can swim freestyle 15 metres+.

FREE waterslides for active Webstar's Swim School members during school holidays!

Between Saturday 27 June - Sunday 12 July 2026.

- No bookings required.
- Students must be at least 1.2 metres tall to ride.
- Visit geelongaustralia.com.au/ssl for slide operation hours at Norlane ARC, Splashdown and Leisurelink.

BOOK ONLINE

Classes available to both active and non Webstar's Swim School members. Scan the QR code for bookings and more information.
